## 8 FURTHER OBLIGATIONS, WARRANTIES AND LIABILITIES

- 8.1 You acknowledge that the Software is licensed by You for internal business use and it is not ordinarily acquired for personal, domestic or household use or consumption.

- 8.5 The Parties agree that if the required functionality can be achieved indirectly (through a “work-around”), then the defect will not give rise to our obligations under clause 8.3 or the Australian Consumer Law (to the extent that law may apply). If the required functionality cannot be achieved through a work-around then we will use

commercially reasonable endeavours to investigate the problem and at our discretion:

- (a)** replace the Licensed Software, so it materially conforms with the Specifications (including, without limitation, replacement with a more recent version or equivalent software); or
- (b)** repair the Licensed Software by providing, correction codes and/or updates, including updated documentation and other documents.

8.6 Nothing in this Agreement excludes, restricts or modifies any condition, warranty, right or liability implied in this Agreement or protected by law to the extent that such exclusion, restriction or modification would render this Agreement or any provision of this Agreement void, illegal or unenforceable. Subject to that, any condition, warranty, right or liability which would otherwise be implied in this Agreement or protected by law is excluded.

8.7 To the extent permitted by law, Our total aggregate liability for all claims relating to this Agreement is, at Our discretion, either:

- (a)** replacement of the Software or the supply of equivalent Licensed Software;
- (b)** repair of the Software;

- (d)** to terminate this Agreement and, following the uninstallation of the Software in accordance with Clause 13.3 below, provide You with a refund for all or part of the license fees received by Us from You during the License Term.

8.8 Except where limitation is prohibited by law, We disclaim all warranties, expressed or implied, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose and any warranty against infringement, other than those expressly set out in this Agreement.

8.9 You acknowledge that our authorised representatives or resellers are not allowed to provide any warranty, guarantee or assurance with regard to the use, suitability, or results of use of the Software, or with regard to the precision, accuracy or reliability thereof, and any such warranty, guarantee or assurance is of no effect.

8.10 To the extent permitted by law:

- (a)** it is Your responsibility to select the Software that fulfils Your requirements;
- (b)** You bear the full risk for the performance of and results achieved by the Software and for its suitability for the purpose;

- (c) We exclude all liability in respect of loss of, corruption of or access to data, interruption of business, any lost profits, or revenues or for any indirect, special, incidental, or consequential damages however caused, whether in contract, tort or under any other theory of liability, and whether or not the party has been advised of the possibility of such damages.
- 8.11 We are not liable under this Agreement for circumstances for which We are not responsible, including, without limitation:
- (a) non-compliance with the conditions of use and operation contained in the Software description;

  - (f) influences from systems or programs that We do not own.
- 8.12 You indemnify Us, on a continuing basis and on a full indemnity basis, from and against any liability, claim, loss, expense or demand for or arising from:
- (a) any improper use or mismanagement of the Software by You or Users;
  - (b) any use of the Software in a manner not reasonably contemplated by Us;
  - (c) any modification of the Software;
  - (d) any use of the Software in a manner contrary to law;
  - (e) Your failure to comply with any terms of this Agreement; and
  - (f) Your failure or refusal to adopt any of Our recommendations in relation to the Software.
- 8.13 Either party's liability for any claim relating to this Agreement will be reduced to the extent to which the other party contributed to the damage arising from the claim.
- 8.14 Each party warrants to the other that it has the right and ability to enter into this Agreement and that this Agreement will be legally binding on it.
- 8.15 In the event that We incur additional expenditure as a result of Your failure to comply fully with Your obligations under this Agreement,

We have the right to charge You for the costs that We incur in respect of that failure.

- 8.16 This indemnity survives termination of this Agreement by either party for any reason.

    - (ii) it has first obtained a validly executed agreement, undertaking or other document from the employee or contractor that includes an obligation for that employee or contractor to maintain confidentiality of the Confidential Information to at least the same extent as is required under this Agreement;
  - (b) it will use the Confidential Information only for the proper operation of this Agreement and will not otherwise use it for its own benefit;
- 10.4 In no event shall a party use less than the same degree of care to protect the other party's Confidential Information as it would employ

with respect to its own information of like importance which it does not desire to have published or disseminated.

10.5 A party may request in writing that the other party return or destroy its Confidential Information (at the first party's option) upon:

- (a) termination of this Agreement, if no other separate commercial arrangements are entered into between the parties in relation to the implementation of the Software into the Company's systems; or
